## What is TYPO3Camp Vienna?

TYPO3Camp Vienna, established in 2016, is the first international TYPO3Camp in Austria. Within a span of 2.5 days, the event's main goal is to boost networking, learning, socializing, and connecting – all centered around our most beloved CMS TYPO3. TYPO3Camps all across Europe – such as in [Munich](#) (DE), [Stuttgart](#) (DE), [Hamburg](#) (DE), [Berlin](#) (DE), [Venlo](#) (NL) or [Nantes](#) (FR) – rank among the permanent institutions of the great open source TYPO3 Community and aim to fuel the exchange of TYPO3 knowledge.
